BETTER LATE THAN NEVER!!! -- many folks are out of town this month -- Ed Park, Charlie Stennette, Ross Jardine, Glen Nicoli, Kerry Kimura and Harold Rounds spent the 18th-21st in St. Paul at the Nationals. So far, the Graham's, the Johnson's, possibly the Demmings and Smith's are headed to Fairbanks for Golden Days on the weekend of the 26th.

The July meeting was held on the 22nd at the Brandt home. Members who could be reached were contacted by phone the previous weekend and in spite of so many being out of town or unavailable, 12 folks showed up!!! The major topics were the upcoming Fairbanks trip and the Show and Shine.

In regards to the Show & Shine, the meeting discussed items that Jay Ofsthun requested be taken care of by MSSRA -- People's Choice Ballot boxes, window stickers, dash plaques, registration master list, paper for People's Choice award ballots, pencils, etc. MSSRA will be selling shirts and "SOS" signs. Also discussed were "grab bags" for the first 100 cars to come onto the Park Strip. Auto-type items were discussed and those present will do some legwork to try to put the bags together by August 4. If you can help, call Joni at 562-5997. Keep the date in mind, Sunday, August 4. The location this year will be at 10th and L Street on the Park Strip.

Glyde James brought up and discussed a possible "Super Chevy Day" during Labor Day weekend at the raceway in Palmer, in conjunction with the possibility of "old car" drags on an 1/8 mile run -- it's in the early planning stages and something to be thinking about. Take note Chevy owners, Corvette and Classic Chevy Clubs -- "Super Chevy" Magazine will be there.

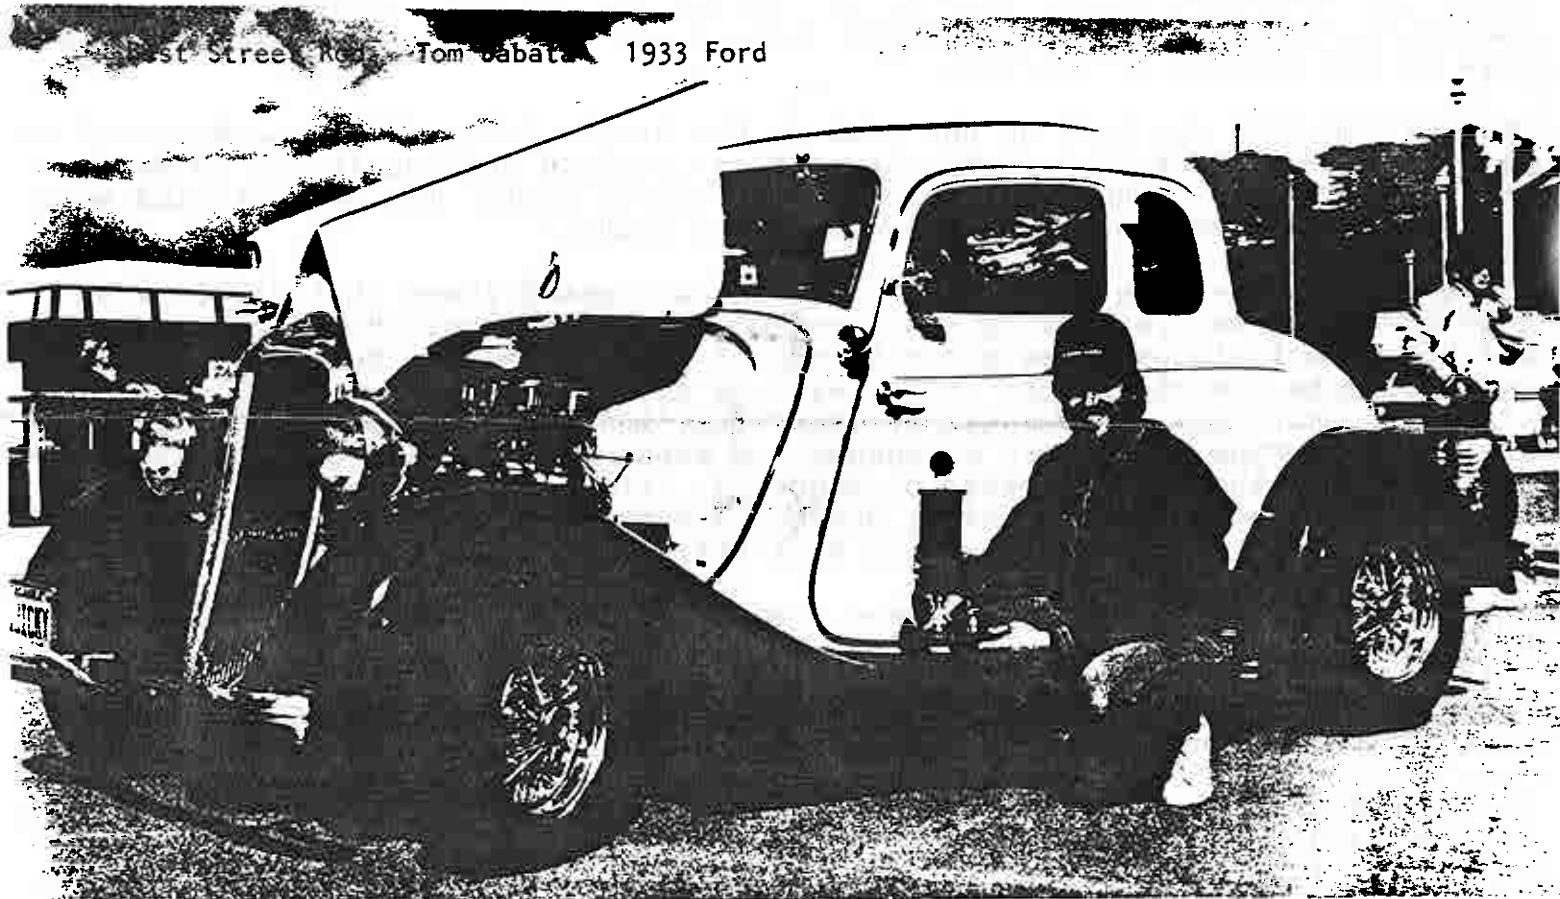

Also, upcoming, a trip to Valdez on the weekend of August 11 for Gold Rush Days -- there will be a parade and lots of activities and festivities. If you have questions, I believe Ed Park will be heading up that trip.

The next scheduled meeting will be the fourth Monday of August -- the 25th -- at a location yet to be announced.

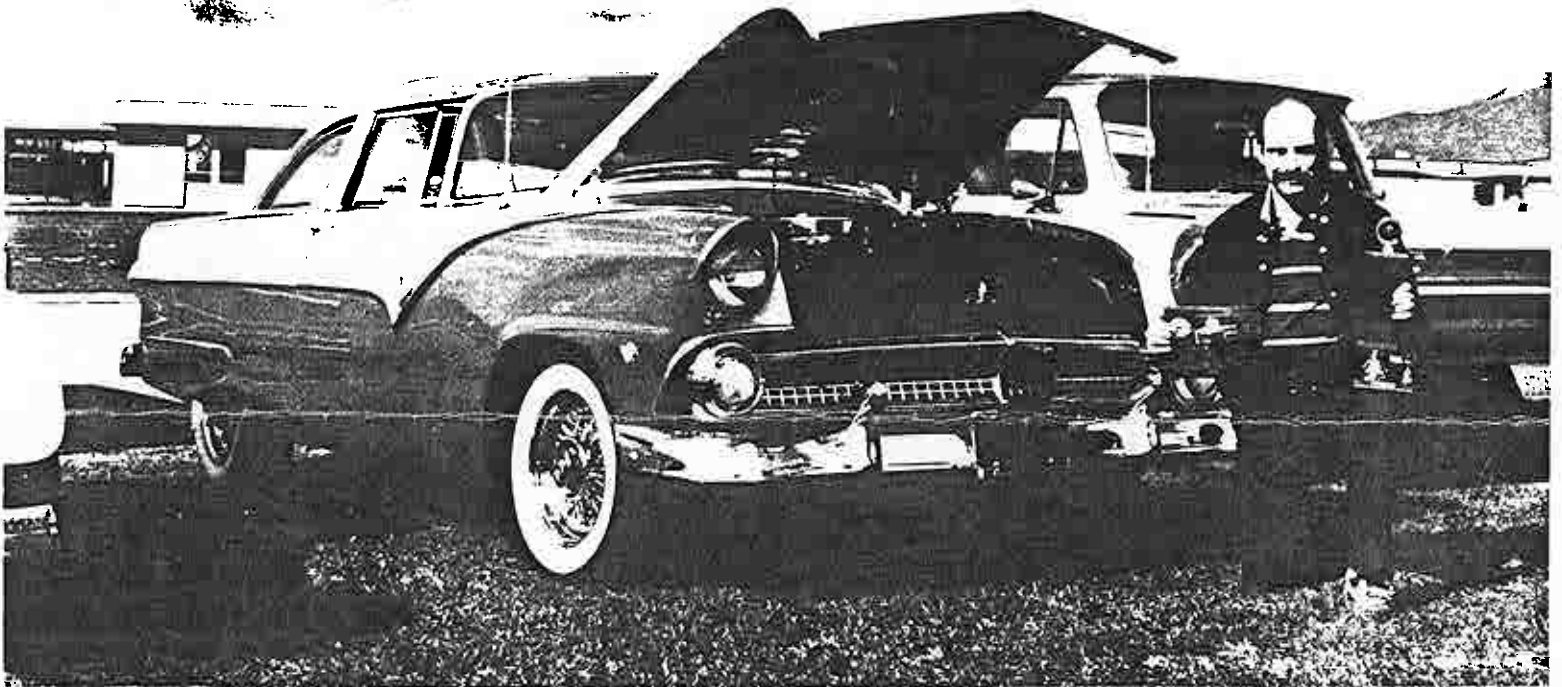

JULY 1985 -- HOPE YOU'RE ALL HAVING A GREAT SUMMER!!!!
