The major awards went to the following cars and their owner/drivers:

On May 1, 1988; a vehicle inspection was held at the Ladies of Compassion Care Center. Bob Dickerson's '35 Chevy coupe passed with a Safety 23 pin. The other vehicles, Wally Graham's '64 Chevelle convertible and Tom Dooley's '29 Ford roadster pick-up will all pass with minor repair. Charlie Stenette's '31 Chevy Coupe needs exhaust leak repair work to pass. All in all it was a good turnout for this year's first inspection.
