MARCH MEETING SET FOR THIRD MONDAY -- THIS MONTH ONLY!

Please plan to attend the March meeting, Monday evening, the 20th, 7:00 PM, at the Alaska Travel Institute (517 W. Northern Lts. Blvd.) This meeting puts the car show at less than one week away. There's lots of planning and leg-work still to be done. Your help and input is important. This is the last formal membership-at-large meeting prior to the show. See you there.

DUES...DUES...DUES!

MESSAGE FROM THE TREASURER.....You know who you are, don't you? Pay now or see your "name in lights" in the next newsletter! We have only one-third of membership dues renewed to date. April 1st is the cut-off date and you may be removed from the club roster if dues aren't paid by then.

A REMINDER: Please indicate your NSRA membership number and expiration date on your check for \$30.00, and either mail to the Treasurer...

...or see Bill at Monday (3/20) meeting. Thank you.

RAMBLINGS...

Thank you to Helen Elleven for fixing the "greasy shoes" mess left at Alaska Travel Institute during our February meeting -- thanks to Ed for fixing the flat on the club trailer...and, I don't know about you, but the only "car" news I've heard this month is about the car show, the car show, the car show, and more about the car show. All you MSSRA folks out there, please let me know about any newsworthy items for the "ramblings" section -- I'd appreciate anything you could send my way relating to autos, MSSRA members and local auto enthusiasts.

Thanks...Joni
