FROM THE PRESIDENTS DESK
By Wally Graham

I was real pleased with the February club meeting. Everyone seemed to have an up beat attitude about everything.

With positive attitudes it should turn out to be a great year. We have several events on the agenda this year and when everyone pitches in to help with that positive touch it will make it more fun for all of us.

Glenda and I would like to thank each and every one of you that came by for our open house to help us celebrate our 25th wedding anniversary. We had a great day and a good time. Thank you again for helping make it that way.

RAMBLINGS

Darry Snelson is recovering well from surgery this past month. He can't wait to get back to work . . . The prez was down last week with a cold. Hope it doesn't mess up his Hawaiian Vacation this month . . . Bernie Edwards can't make up his mind if he should work on his '36 Ford Pickup or '35 Ford Panel. Decisions, decisions . . . Got a nice letter from Clyde and Mary James who now live in Cour d'Alene Idaho. They have a new home with a 3 or 4 car garage depending on the farm equipment stored in there. Clyde spends most of his time cruising in a four wheel drive Kubota farm tractor. Sounds like open motoring to me. When not working on the farm, Clyde attends an auction or two and the local circle track. While at the Northwest Nats, they saw the Stennets and the Rounds.

12TH ANNUAL MIDNIGHT SUN ROD AND CUSTOM CAR SHOW

There is not enough room in the newsletter to tell you everything about the show.

As usual, when it is about six weeks before the show there are a lot of loose ends to pull together, but with everyone's help, it will all happen. The biggest void right now is posters, fundraising, and cars, cars, cars.

We still need more cars even though we had a good response with our ads. If anyone knows about any good clean cars at your neighbors or friends, get them connected with Wally Graham.

Thanks to everyone from Show Chairman Wally Graham that's put in a lot of hours to help on this project. Your time and efforts are greatly appreciated.

NEW DAY FOR FEBRUARY MEETING

Our next meeting will be on Tuesday March 26th at Alaska Classic Motion, 2503 Arctic Boulevard. The Prez promises to keep the meeting short and entertaining.

DUES ARE DUE

The 1991 club dues are due by April 1st and that ain't no joke. Your annual \$30.00 include club and NSRA dues. You can pay at the next meeting or see to it that the treasurer, Lynnda Davis, gets your payment. If paying by cash, get a receipt. Remember, anyone not paying by April 1st, will no longer get a newsletter.
