MONTHLY MEETING

The next meeting will be Tuesday, May 28, 7 PM at Alaska Classic Motions, 2503 Arctic Blvd. BE THERE! ! !

**FROM THE PRESIDENTS DESK**  
**By Wally Graham**

Summer is here at last. It's been cool but at least the snow is gone except for the mountain peaks.

Time for those street rods to hit the streets. I have seen a few on the roads lately, so some people are getting the bug to get the ol'fliver out and work out the winter bugs.

Looking at the calendar it looks like there will be several events to attend this summer. If our calendar doesn't have enough for you, check out Fairbanks and the Peninsula Cruisers list. If you attend every thing going on this summer, almost every weekend could be taken up with that street rod. This could be one of the best summers yet.

Keep on cruzin, drive safe and have fun.

**RAMBLINGS**

MSSRA friend in Fairbanks, Dean King, now has a phone! The community of Chena Hot Springs got phone service this past year. As most of you know, Dean has managed the resort for the past two years. In the past, they had to rely on two way radios or travelers to contact the city of Fairbanks some 50 miles away. You can contact Dean at the resort, 369-4111. If the line is busy, he's probably calling the house, 369-4114, the other phone in town. . . . Ron and Beth Bunn recently had a bouncing baby boy. They named the 6 pound 14 oz, 19 inch long future Street Rodder Christopher Thomas. The Thomas middle name is after exMSSRA member Tom Kenney. **CONGRATULATIONS!** . . . Last heard Charlie and Jerry Stennette are in Tennessee and doing well. After almost a year on the road, they are spending time in their Tennessee home. . . Tom Dewhirst and Dena Shepard have bought a 1989, 37 foot, Class A Motorhome. Next thing you know they'll want an enclosed trailer for their street rod.

**1991 MIDNIGHT SUN ROD AND CUSTOM CAR SHOW A SUCCESS**  
**by Wally Graham, Show Chairman**

What a success! Our 1991 Rod and Custom Car Show turned out great. We had a great group of cars, great facility and almost great weather. It took me two weeks to unwind, but I guess it was all worth it. I won't go into great detail, but for you that were there, you know what happened and how well everything worked.

Finances look pretty good so I think we will be able to give a fair amount of money to our two charities. We will have a full financial report at the monthly meeting.

I would also like to say a great big "THANK YOU" to each and every person that helped with the show.

## RED EYE LOOSES NOSTALGIA DRAGS

Two of our members, Darry Snelson in his '48 Chevy Pick Up and Tom Dewhirst in his Chevy powered '29 Ford Roadster, joined a field of Five Nostalgia Races on Sunday May 19th at Polar Raceway.

The field was quickly narrowed to four when Jim Reeves lost a U-Joint during time trials. He was driving an extra clean '65 Mustang powered by a Dennis Hackenberger build 302 engine.

The first round, which happened to be the final four, paired Darry Snelson against a 1969 small blocked powered Corvette owned by Jim Zimmerman who won the round. Tom Dewhirst was paired up against a 1967, 428 powered, Shelby GT-500 owned by Kelly Priestley.

Tom won the round and went to the final against Jim Zimmerman's Corvette. Tom is no stranger to final rounds of nostalgia Racing having been there at least three times before. The pressure was TOO much for Tom causing him to RED LIGHT giving the win to Zimmerman. Better luck next time.

As reported in the February SUN RUNNER, points are awarded to any MSSRA member competing at any of the three Nostalgia events this season. The points winner will be recognized at the Christmas party with a trophy sponsored by Dewhirst. Tom is in the lead with 30 points followed by Darry Snelson with 15 points.

### POINTS SYSTEM

Winner	20 Points	Runner Up	15 Points
Final Four	10 Points	Just to Enter	5 Points

Other members participating in the Nostalgia parade were Gene Lane in his red and white '55 Chevy, Shirley Lane in her pink and white '55 Chevy, Toby Tuttle in his '71 Chevy pick up and Hal Hendricks in his '71 Road Runner.
