It's Party Time!

That's right sports fans, it time to plan for the annual MSSRA Christmas party. We've done all kinds of things in the past from a fancy dinner at the Hilton Hotel, to sit down dinners at a local restaurant, and a pot luck dinner at rented chalet on Elmendorf Air Force Base. What do we do this year? Well, that was the main topic at the September meeting.

While no decisions were made, the general consensus was a pot luck dinner at a yet to be determined location. A couple of ideals were a chalet at Elemendorf or renting the Municipality Russian Jack chalet. Got an ideal? Bring it to the October meeting. Can't make it, call our fearless leader, Neil Noll, 248-6009. If we don't have any luck, we can always go to the How How restaurant.

Election Time

It's that time of the year when members fight tooth and nail to be a leader in the Midnight Sun Street Rod Association. Our leadership positions, president, vice president, secretary, and treasurer are all cherished honors and great resume material.

If you are interested in being one of the chosen few to hold elected office, the *Sun Runner* is offering one half page to any candidate for advertising, an article, or interview. Contact any member of the *Sun Runner* staff for details.

From our Strange but True file

The inscription on the metal bands used by the U.S. Department of the Interior to tag migratory birds has been changed. The bands used to bear the address of the Washington Biological Survey, abbreviated: "Wash. Biol. Surv."

That is until the agency received the following letter from a hunter:

Dear Sirs: While camping last week I shot one of your birds. I think it was a crow. I followed the cooking instructions on the leg tag and I want to tell you it was horrible.

The bands are now marked: "Fish and Wildlife Service"

Helpful Hints

by Helen Helpless

Save on booze by drinking cold tea instead of whiskey. The following morning you can create the effects of hangover by drinking a thimble full of dish washing liquid and banging your head repeatedly on the wall.

Deep Thoughts

Have you ever noticed? Anybody going slower than you is an idiot and anyone going faster than you is a maniac.
